To Whom It May Concern

On behalf of the Tchoukball Association of Singapore (TBAS), I would like to express our sincere appreciation to **Pestimesh Pte Ltd (UEN: 201114018K)** for their unwavering support and partnership.

Since 2023, Pestimesh has contributed more than just money towards the development of Tchoukball in Singapore. Beyond their generous financial support, the company has consistently demonstrated a genuine commitment to our athletes and the growth of our sport. Their encouragement, belief in our vision, and willingness to stand alongside us have made a meaningful difference to our organisation.

Their contributions have enabled TBAS to strengthen our athlete development programmes, support local and international competitions, expand grassroots participation, and create more opportunities for Singaporeans to benefit from the values of teamwork, resilience and sportsmanship through Tchoukball.

Pestimesh exemplifies what it means to be a responsible corporate partner. Their investment in community sport reflects a strong commitment to youth development, healthy lifestyles and social impact.

We are truly grateful for their continued partnership and wholeheartedly recommend Pestimesh as a company that not only delivers excellence in its professional services but also gives back generously to the community.

We look forward to many more years of collaboration in making a positive difference together.

Yours faithfully,

Lim Zi Xuan Delane
Secretary General | Tchoukball Association of Singapore
For and on behalf of President & TBAS Management Committee
